April 25, 2018

CALLING ALL SHEEP COUNTERS:

We hope you're able to join us for the 48th Annual Bighorn Sheep Count at Anza-Borrego Desert State Park! And if you know of anyone who might be interested in participating please forward them this email. Any and all inquiries can be sent to AB.Sheepcount@parks.ca.gov.

The orientation, **mandatory for all first-time counters** and highly recommended for veterans, will be conducted at the University of California, Irvine Steele/Burnand Anza-Borrego Desert Research Center (located at 401 Tilting T Drive, Borrego Springs, CA, 92004) on **Saturday, June 16th from 9AM-1PM**. We know many of you have counted bighorn for years, but we can all use a refresher. The orientation will cover bighorn natural history, California Fish and Wildlife's recovery efforts, census methods, desert safety, and site assignments.

We will be **dispersing to count sites on Thursday afternoon, June 28th, and conducting the count on Friday, June 29th, Saturday June 30th, and Sunday, July 1st**. On Thursday, we will meet at the Palm Canyon Maintenance Shop between 1-3PM for check in and dispersal. We will expect you back at the shop by 3PM on Sunday to compile count data and get you headed home.

We hope you can assist us with the annual sheep count. Thank you for your interest and dedication. Sheep population numbers in the Park are estimated at about 500, and totals for the entire Peninsular Ranges are almost 900 sheep.

Please use the **RSVP** form on Page 2 to let us know if you'll be able to help this year. As always, we need willing backpackers, and we need four wheel-drive vehicles to help get volunteers into some of the count sites. Hope you can help us again this year.

Sincerely,

Michael J. Puzzo
Sheep Count Coordinator
Anza-Borrego Desert State Park

2018 Sheep Count RSVP Form

RSVP with this form by Monday, June 11, 2018

Email to: AB.Sheepcount@parks.ca.gov

Mail to: Anza-Borrego Desert State Park
